

Department of the Interior Enterprise Architecture Program

IEA Methodology for Business Transformation (MBT)

Workshop for Creating and Implementing Modernization Blueprints

DATES: February 23 and 24, 2005

TIME: 9 a.m. till 4 p.m.

PLACE: National Park Service, Denver, Room 10B

Things you will learn at the workshop:

- ♦ How to create a modernization blueprint
- ♦ How to implement real change rather than create shelfware
- ♦ How to ensure that the business organization stays involved
- ♦ How to keep your architecture plans up to date
- ♦ How the architecture methodology can support a variety of smaller architecture projects
- ♦ How to plan investments with real business needs in mind
